**Profile & Career Summary**

Mark has worked for Ancer Spa for the last 9 years. He has a wealth of experience of submitting planning applications, planning appeals, objections to planning applications and providing written representations. He has undertaken and managed a variety of different planning applications and provided planning advice on a number of schemes including retail, employment and leisure schemes, on behalf of a variety of different clients, both within the public and private sectors. He has particular expertise in assessing site capacity through site layout design and in the planning and design of heritage projects
